Dear Mr. Perry:

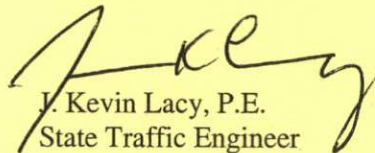

Our investigation of your STAA reasonable access route request number 2179 for Roma/PFG of North Carolina is complete. At this time, we have found the following route to be acceptable by current traffic engineering standards and hereby grant approval for your firm to run twin-trailers along this route. The approved route is described as follows:

Reasonable Access Request No. 2179: New Hanover County: US 17 Business between I-140 and the Penske Logistics terminal located at 6615 Market Street in Wilmington.

All weight limits that may exist on this above approved route must be observed.

Please let me know if you have any questions or need additional information.

Sincerely,

  
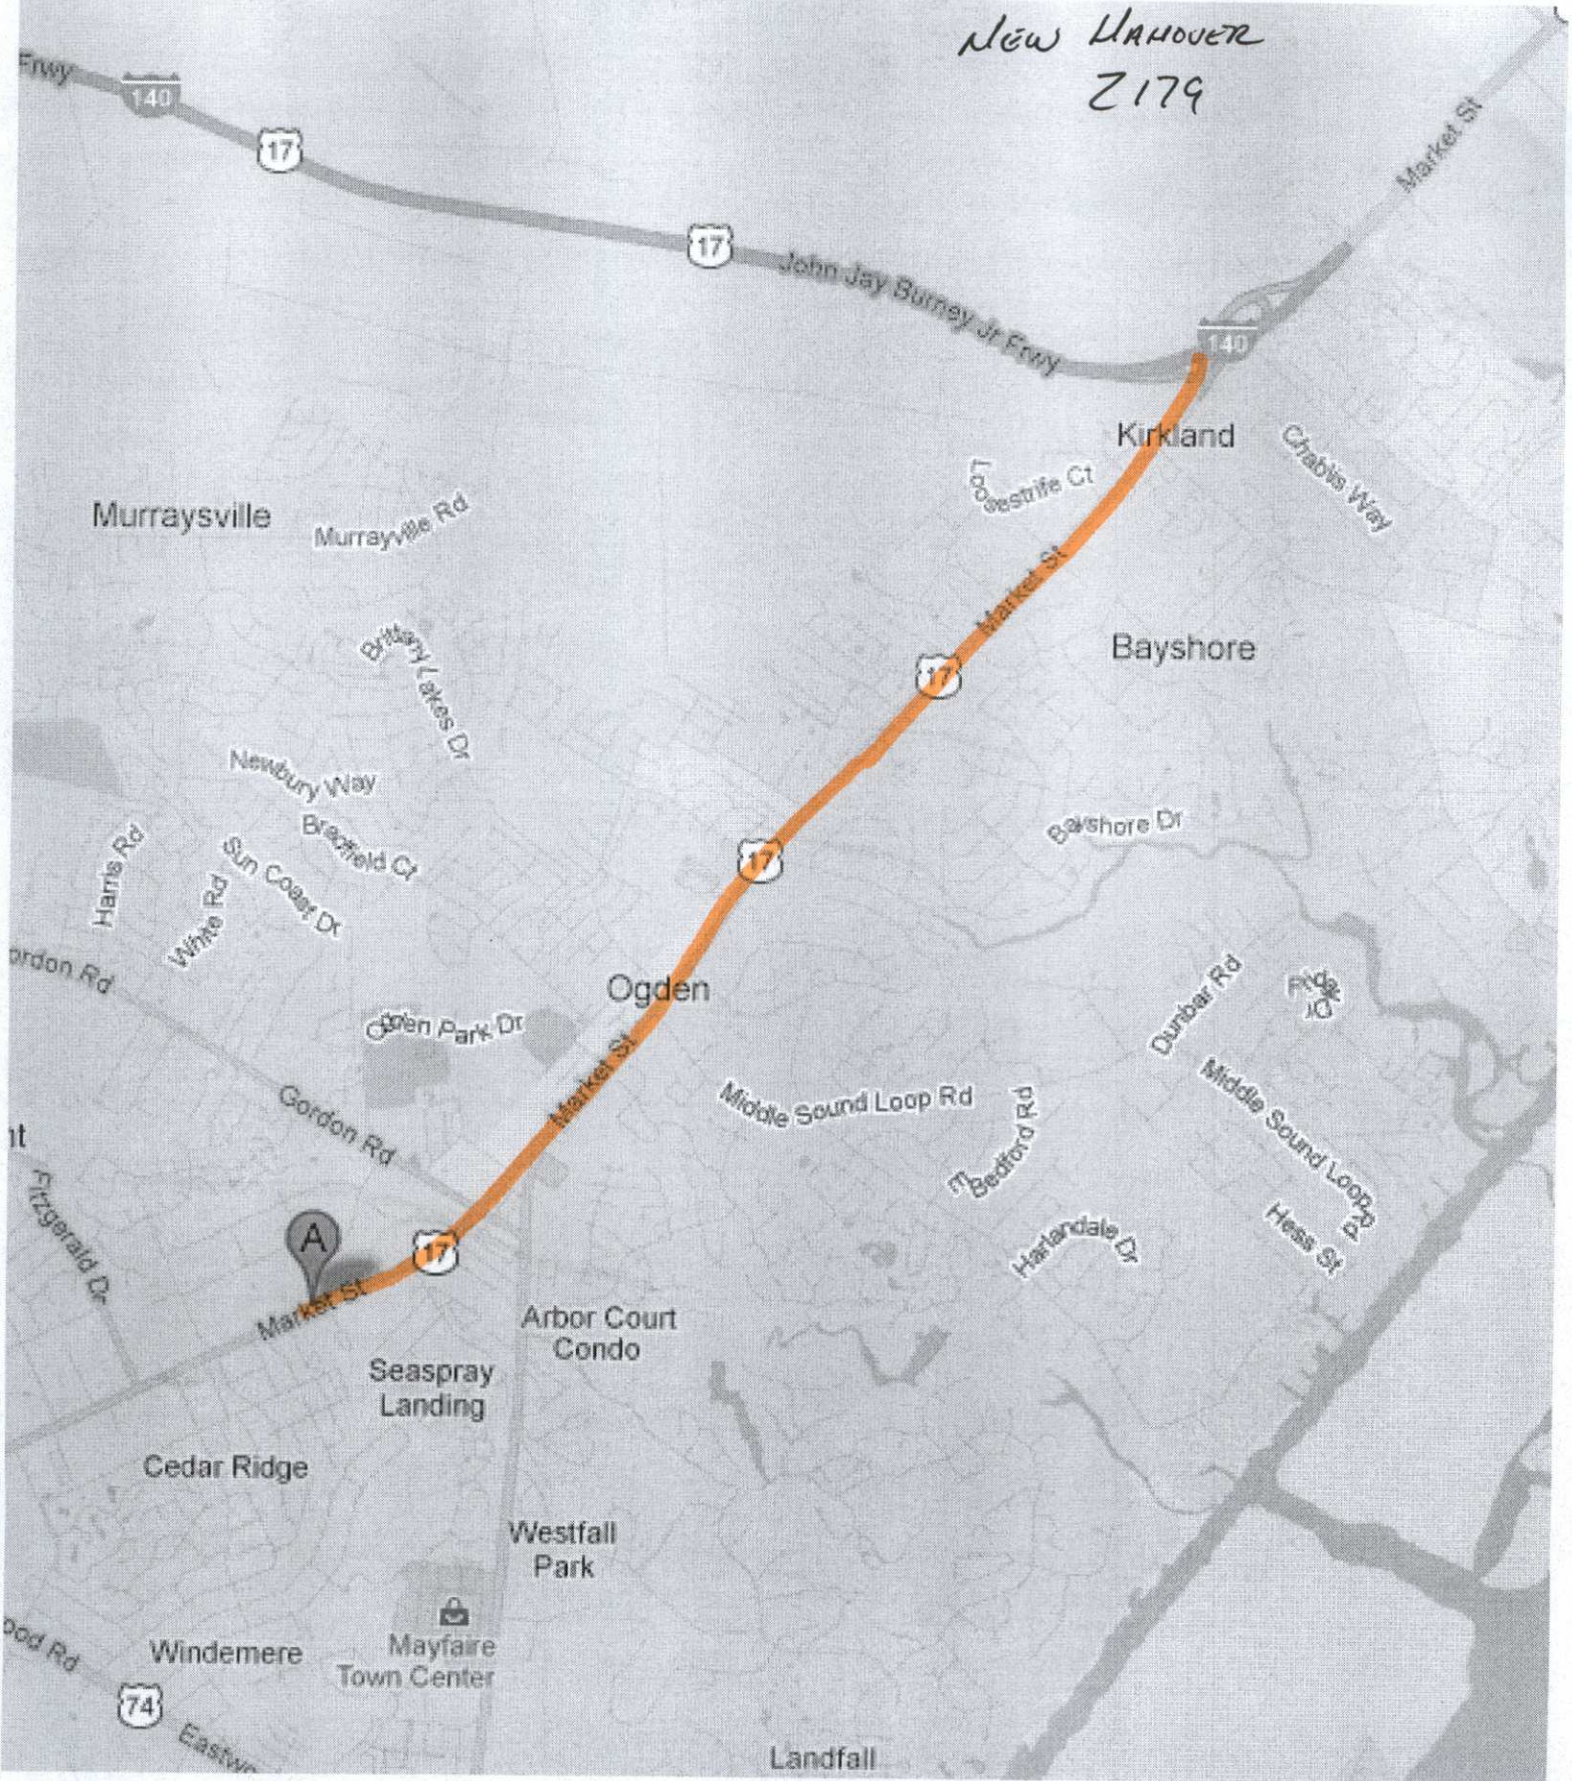

J. Kevin Lacy, P.E.  
State Traffic Engineer
